Our office will kindly bill your insurance company. We participate in a number of medical insurance plans that we may contact to verify eligibility and benefits. Please realize that you have the ultimate responsibility of verifying the coverage with your insurance. You acknowledge that we may be an out of network provider with your insurance . You are also aware that in some circumstances your insurer will send payment directly to you. You agree to endorse the insurance check and forward funds to the appropriate entity within 30 days of receipt. You will be responsible for any balance not or denied by your insurance carrier. Patients who do supply accurate insurance information will be responsible for the balance. You must inform our office of any changes your insurance, as you are the policyholder and it is your responsibility.

If your plan requires referral from your primary care provider, it is your responsibility to obtain this prior to seeking treatment from our office. If a claim is denied due to lack of referral, you will be responsible for the charges. You understand that you are financially responsible for claims denied or not covered by your insurance carrier if referral is not obtained.

If you are unable to keep your appointment, you must notify the office at least 24 hours prior to your scheduled appointment as a courtesy to the provider, staff, and other patients. If you cancel or "no show" without sufficient notice, you may be subject to a fee, payable by you, not your insurance company.

The above information is thorough and accurate to the best of my knowledge. Any changes to the above information will be communicated with the office. I consent to evaluation and treatment by this clinic. I hereby authorize the release of medical information that is necessary for treatment. I have read and agree to the above policy.
